Product information sheet (sample)

GLOBE E27 LED bulb – LH-GLB-G95-E27-806

SAMPLE DOCUMENT

! A sample information sheet laid out as Regulation (EU) 2019/2015, Annex V. The model is not registered in EPREL and has no registration number; the figures are for show.

Supplier and model

Supplier	Lux Home (sample supplier)
Address	[supplier address – sample]
Model identifier	LH-GLB-G95-E27-806
Type of light source	LED, non-directional, mains light source (MLS), no separate control gear
Cap	E27
Shape	G95, opal glass, white neck

Product parameters

Energy efficiency class	A
Useful luminous flux	806 lm in a sphere (360°)
Colour temperature	3000 K (correlated)
On-mode power	3.8 W (Pon)
Energy consumption	4 kWh/1000 h
Standby power	not applicable (Psb)
Colour rendering index	80 (CRI)
Outer dimensions	height 138 mm, diameter 95 mm
Equivalent power	60 W (claimed)
Chromaticity coordinates	x 0.437, y 0.404
Survival factor	1.00
Lumen maintenance factor	0.96
Displacement factor	0.50
Colour consistency	6 McAdam ellipses

Flicker metric	1.0 (Pst LM)
Stroboscopic effect	0.4 (SVM metric)
Dimmable	no
Rated life	50,000 h

A sample document: it shows how a shop can add a downloadable file to a product. The maker is a sample one and the figures are for show only.
